

Account Manager Nordic

We are looking for an Account Manager to strengthen our Nordic team. A full-time position placed at one of our offices, either in Copenhagen, Stockholm, or Aarhus.

The Position

The Account Manager will be responsible for the sales at key accounts across the Nordic countries. The product portfolio will include high-quality and exclusive key labware and smaller Instruments. The portfolio will be sold via tenders, procurement contracts and key accounts. The job is primary field based.

Principal Accountabilities

- Overall responsible for defined portfolio across the Nordic countries, as well as sales budget and KPIs according to Business plan.
- Responsible for negotiation of contracts with key accounts and purchase departments. Attending tenders and filling in product information.
- Responsible for delivery of marketing content.
- Collaborate with suppliers according to AH diagnostics' values and business strategy
- Pro-actively maintain existing business base through implementation of key account management, working with key internal and external stakeholders. Actively seeking new business opportunities.
- Establish connections and customer relationships with key customers and the strategic procurement departments.
- Work together with the Nordic team to develop sales strategies for the defined products.

Background and Competences:

- MSc (Master of Science), BSc (Bachelor of Science), Medical Laboratory Technologist or equivalent qualification in a scientific subject and significant experience in a similar role.
- Sales and negotiation skills. Preferable with experience in working with tenders and framework agreements.
- Strong business understanding and analytical skills.
- Fluent in local language and negotiation level in English - both in written and spoken language.
- Driving license.
- Good understanding of business management systems, including Excel, Word, PowerPoint, and CRM tools.
- Demonstrated ability to work alone and as a part of a team.
- Ability to travel and work flexible hours

We Offer

We offer you an exciting and challenging position in a growing Nordic company. A position with continuous personal development and strong empowerment. We have a constant focus on being able to offer innovative and unique products within Life Science and diagnostics. A business environment where customers are at the center and where we combine humor with business. We offer a good salary package including, bonus, pension etc.
